

On January 5, 2014, the EPA-CID Syracuse Resident Office received a thumbdrive containing documents regarding Bechtel Marine Propulsion Corporation (BMPC), 350 Atomic Project Road, West Milton, NY 12020 from EPA-CID Region 2 ASAC (b) (7)(C), (b) (6). The documents included an EPA Enforcement Report of an Environmental Violation regarding BMPC. The allegations consist of potential false statements as it pertains to environmental certifications and onsite inspections.
